Synthetic Turf

All synthetic turf products are available in 12 feet wide rolls, except for «Opulent Chartreuse» and «Muscadé» type grasses, which are 15 feet wide.

All products of « Recyclé » type have been inspected to guarantee security and non-toxicity. All our products are lead free and without heavy metals derived from dangerous RCRA (1996) or CEPA (1999) waste.

- Natural Aspect
- No harmful effect on the environment
- Non-flammable and chemical products resistant
- Heat and freeze/thaw cycle resistance
- UV rays stabilized
- Insoluble in water
- Resistant and permeable polyethylene primary and polyurethane secondary backs

Cutting and delivery services available on demand.

Refer to the synthetic grass surfaces installation guide.
